## NEW for 2025

### 1. Introduction of a State Qualifier Round

We are introducing a State Qualifier round for Secondary and Post-secondary divisions. **NOTE:** Middle School students will not participate in the State Qualifier round this year; all Middle School competitions will take place at the SLC. The State Qualifier round was discussed during our Fall Leadership Conference (FLC) Advisor Meeting. A [recording is available for your reference](#). Passcode: UtHO\$A24

Key details include:

- **State Qualifier Dates:** February 3 - 14, 2025
- **LINK:** [State Qualifier & SLC Competitive Events List](#)
- The State Qualifier includes any competitive event with a qualifying exam, which students will complete at their schools.
- At the SLC, students may qualify and compete in only **one (1) event per category**.
- Students must select and rank their events by priority in case they advance in conflicting events.
- If event times conflict at SLC, students will compete in their highest-priority event.

### 2. State Leadership Conference (SLC) Details

The 2025 State Leadership Conference will take place on **March 3 & 4, 2025 (Monday–Tuesday)**. This is a change from our traditional Thursday–Friday schedule, which will remain in effect for the next two years due to scheduling constraints. Additionally, the conference date is nearly a month earlier than last year. These changes have prompted us to refine the event schedule to enhance the overall experience for participants while ensuring ample opportunities for all.

### 3. Changes to Offsite Facilities

Due to the adjusted schedule, we have made changes to some offsite facilities to accommodate the unique requirements of our **Health Professions** and **Emergency Preparedness** events. As part of this update, most of these competitions will now take place on the evening of Day 1 instead of the morning of Day 2.

# Utah HOSA | Dress Code Information

The following document outlines the official dress code for ALL student member delegates at the State Leadership Conference (SLC). Student delegates not adhering to the business attire dress policy for all general sessions at the SLC will not be allowed on stage to receive any awards.

## Tips for Appropriate Business Attire

Business attire is crisp, neat, and should look appropriate in any office setting. It should not look like party or picnic attire. Don't confuse club attire with business attire. If you wear it to a night out on the town,, you probably shouldn't wear it in a business environment. Avoid tight or baggy clothing. Everything should be clean and well pressed. Hair should be clean and neat.

**Details:** No missing buttons, no lint; and don't forget to remove tags and tacking stitches from new clothes. Perfume or cologne should be used sparingly or not at all. Don't smell like smoke.

## Tips for men's business attire:

- Pants/slacks, not jeans.
- Long sleeve shirts or short sleeve shirts with collars. Polo shirts (tucked in, of course) are also acceptable.
- Ties are optional but always appropriate
- Always wear a belt and dress socks.
- Dress shoes should be worn; no sandals, athletic shoes or hiking boots.

## Tips for women's business attire:

- Women can wear casual pants or skirts. Neither should be tight. Colors should generally be solid; navy, black, gray, brown, and khaki are always safe bets.
- Skirts should come at least to your knees while you are standing. While you are seated, your thighs should be covered. If your skirt comes to just below the knee, a slit to just above the knee might be acceptable. A very long skirt should not be slit to above the knee. Slits to facilitate a view of your legs are not appropriate for business purposes.
- In addition to tailored shirts or blouses, tailored knit sweaters and sweater sets are appropriate business attire. Velvets and shimmery fabrics suitable for parties are not appropriate. Fit should not be tight. Cleavage is not appropriate to business attire.
- Keep your jewelry choices simple and leaning toward conservative. Avoid extremes of style and color.
- Keep makeup conservative and natural looking.
- Shoes should be closed-toe. Thin straps and high-heels are not appropriate. Chunky heels and platform shoes are also not appropriate in most business settings. Make certain you can walk comfortably in your shoes.
- Hose is recommended if your skirt is knee length rather than calf length.
- If you carry a purse, keep it small and simple.

## Competitive Event Dress Code

- Competitors and event personnel follow the event guidelines.
- Dress code for General Sessions is different than for CE but competitors can wear their General Session attire if they want to when business attire is required.

Appropriate dress for official social functions in conjunction with the SLC will include everything EXCEPT tank tops, halter-tops, extremely short shorts or skirts and cut-offs. (Shirt straps must be two inches wide and the length of shorts and skirts must be at minimum to the fingertip.)

## Black or Navy-Blue Suit (Required for those attending the International Leadership Conference general sessions):

- With a white shirt (the white shirt can be the member's choice)
- Closed-toe blue or black shoes (hose optional)
- Male members MUST wear a tie and socks
- Female members may choose to wear knee-length skirt or slacks.

## HOSA Uniform

- Tailored navy blazer with emblem affixed over the heart
- Shirt/blouse for females (white tailored or short-sleeve white jewel neck shell)
- Shirt for males—white closed-neck, man-tailored dress shirt, suitable for use with a tie
- Accent for female members - maroon HOSA scarf or tie is optional but not required
- Accent for male officers - navy or maroon long tie
- Matching navy slacks for males and matching navy slacks or skirts for females
